3 January 1956 Re. Subject

1. Attached is PRQ data on Ernst BRUCKNER, son of a German Security official and candidate for the American Field Service Exchange Student Program for 1956.

2. According to recent information from the German Station, Ernst BRUCKNER was one of many candidates interviewed in December 1955 by the American Field Service selection committee consisting of five Germans and two Americans for sponsorship as an exchange student. BRUCKNER made a good impression on the committee but failed to place among the six selected. He was, however, put in an informal grouping of "the second ten".

3. The German desk is seeking some form of student sponsorship for BRUCKNER and would appreciate any assistance which FI/GPS Cover can give BRUCKNER's application through its connections with Mr. Stephen Gallati of the American Field Service.
